INTERVIEW

Department of Microbiology, School of Life Sciences, Sikkim University is looking for candidates to work in the Department of Biotechnology (Government of India) Twinning programme of NE-funded research project on “**Studies on Poly- γ -polyglutamic acid (PGA)-producing *Bacillus* spp. from naturally fermented soybean foods of North East India and structural characterization and digestive stability of PGA**” under Professor Dr. Jyoti Prakash Tamang. Minimum qualification for Junior Research Fellow (1 post) is M.Sc. with 60 % marks in Microbiology/Biotechnology/Molecular Biology/Botany from UGC-recognized University with CSIR/ICAR-JRF-NET/GATE qualification. Desirable qualification is experience in food microbiology mostly genotypic taxonomy of microorganisms including Next Generation Sequencing techniques. Fellowship for Junior Research (JRF) is @ Rs. 25,000/- + 10% HRA per month for UGC/CSIR-NET qualified candidates as per the DBT norm. The post is purely temporary and co-terminus with the project. The duration of the project is 3 years (2018-21).

Desirous candidates may apply along with an application letter, updated bio-data, testimonials and other supporting documents (only soft copies by email attachments) on/before 25 June 2018 to Dr. Mangesh Suryavanshi, Bioinformatics Centre, Department of Microbiology, Sikkim University, 6th Mile, Tadong 737102, Gangtok (email: mangeshnccs@gmail.com). Shorted-listed candidates will be called for interview. No TA/DA will be paid for appearing an interview.

(Principal Investigator)

Professor Dr. Jyoti Prakash Tamang
