

Environmental Day, 2020

Sikkim University National Service Scheme (NSS) Cell observed 5th June as World Environment day that had the theme for the year 2020 as “Celebrate Biodiversity”. Sikkim University NSS formed 5 environmental protection teams from amongst the volunteers for the purpose of carrying out the objectives of ‘World Environment Day’. These teams were 1. Sanitation and hygiene team, 2. Water conservation team, 3. Energy Conservation team, 4. Waste Management Team and 5. Greenery Team. On 7th June NSS has organised a webinar for the benefit of Sikkim University NSS environmental protection teams’volunteers on the topic of Jal Shakti Campus and Swachh Campus. The program was organised to provide guidance to the teamvolunteers and create awareness as is required by the National Service Scheme. The program started with a welcome address by NSS coordinator Dr. Nidhi Saxena who welcomed Respected Registrar, Sikkim University Shri T K Kaul, Resource person Dr Laxuman Sharma, who is Dean Student Welfare and NSS Volunteers.The Keynote address was delivered by the respected Registrar Sikkim University Shri T K Kaul. He in a very thoughtful and effective manner explained to the students, the importance of keeping the environment clean. He also pointed out the importance of a clean environment to healthy living. He extolled the virtues of a clean home and exhorted the students to keep one’s home clean for it eventually leads to a clean and healthy world. Dr Laxuman Sharman spoke on how environment is impacting agriculture. He discussed at length various aspects associated with the agriculture and environment with some very pertinent examples.

The program was ended with the vote of thanks.

Water Harvesting

Demand of Water is Ever Increasing and the availability is decreasing

Per capita availability of water in India (India is heading towards the water stressed country)

2001: 1816 m³
 2011: 1545 m³
 2021: 1486 m³

Sector	Water demand (billion cubic meter) 2010	Water demand (billion cubic meter) 2025
Irrigation	337	611
Drinking	43	62
Industry	37	67
Energy	19	33
Other	54	70
